Message From the Recreation Superintendent

Dear Friends,

2003 has been an exciting year for us here at the Georgetown – Scott County Parks and Recreation Department. We welcomed the opening of the Ed Davis Learning Center, continued the expansion of amenities at Scott County Park, installed lights at the Marshall Park Youth Football Field, continued work on the Lisle Road Soccer Complex, and much more. We hope that you have found the time to participate in one of our many programs at the Pavilion, Center of Town, Ed Davis Learning Center, or one of our many parks. Participating in Parks and Recreation programs is a great way to keep in shape, learn a new sport, further your education or just to meet people.

I would like to take this opportunity to thank the residents of Scott County, the Scott County Fiscal Court and the Georgetown City Council for their continued support of the Parks and Recreation Department. As we strive to continually increase our services and quality of programs, facilities, and parks we appreciate your input and guidance. We hope to see you in one of our many facilities and/or programs in the coming year. If you have not joined us for any of our many and varied programs then we invite you to come out and join us and discover for yourself the many benefits of Parks and Recreation!

Sincerely,
Sherri Nicholas
Recreation Superintendent

Schools

The Georgetown-Scott County Parks and Recreation Board and the Scott County School Board have a working relationship that greatly benefits the residents of Scott County by maximizing the use of both school and park facilities. Coordinated efforts in planning between the board members and staffs of both organizations have been instrumental in accomplishing this goal. Many of these projects can be seen at schools and parks throughout the county. These include athletic fields, trails, and picnic shelters.

The Parks and Recreation Department has also contributed financially and helped upgrade many of the schools' playgrounds so each facility can be better utilized as a community park. Some of the school playgrounds that Parks and Recreation have been involved with are Northern, Southern, Garth, Stamping Ground, Eastern, and Western Elementary Schools. Future plans and projects with these schools and PTO groups are continually being made to provide the best facilities for everyone.

School gyms and other indoor facilities are made available for the Parks and Recreation Department's use for various athletic leagues and programs. Listed are both indoor and outdoor facilities used by the Parks and Recreation Department. All outdoor facilities are available for unlimited public use unless otherwise scheduled for a school or Parks and Recreation activity.

Once again thousands of people visited the Center of Town last year for fun and excitement. The community center, located on the corner of Washington and Mulberry Streets, provides over 9,000 square feet of space for leisure time activities, meetings, and special events. The Center of Town is open on a daily basis and provides the citizens of Scott County activities such as billiards, foosball, table tennis, and much more. Rooms are available for meetings, private parties, and dances.

The Center provides a large dance floor complete with a state-of-the-art lighting and sound system. Various styles of music including oldies, country, alternative, pop/rock, and rap are available. Several regularly scheduled programs are held weekly at the Center of Town along with various special activities that are held throughout the year including the **Back to School Jam**. Musical guests and dance artists perform as well as teach their skills. Several Scott County Schools utilize the Center of Town for club meetings and the Special Education Valentine's Day Dance.

Monthly activity calendars are made available to all Scott County students and Center of Town patrons.

The Center of Town may be rented, but reservations are required and should be made at least one month in advance.

Key Information (cont.)

Locker Usage

Yearly Pass holders and Value Card holders may check out locks at the front desk at no charge by leaving their pass with the attendant while the lock is in use. Locks cannot be left on lockers overnight. All locks and personal items left in the lockers past closing time will be removed. Locks may be purchased at the Front Desk for \$5.00. Once purchased, the locks are for your personal become your personal property. However, all of the above policies still apply. The Pavilion recommends leaving valuables at home. However, if items are brought to The Pavilion during your visit, we suggest utilizing a locker to store your items safely. The Parks and Recreation Department and The Pavilion are not responsible for lost or stolen items.

Toddlers in the Swimming Pools

All toddlers **MUST** wear swim diapers while swimming at The Pavilion. This is a safety issue that can affect **ALL GUESTS!** In the event of a fecal contamination, the pool must be closed for 4 hours. Swim diapers are available for purchase at the Front Desk for \$1.

Storm Policy

In the event that an electrical storm is in the area, the indoor pool will be closed. The pool closure is an effort to make The Pavilion a safe environment. Please understand this policy has been set for your protection, and classes will be rescheduled if canceled due to weather. The department follows American Red Cross guidelines for weather issues: every time there is lightning or thunder, the waiting period will be 30 minutes from the last sight or sound .

Fitness Area

Before beginning your new fitness routine at The Pavilion, the Parks and Recreation Department encourages all participants to consult with their physician. After this consultation, we look forward to seeing you at The Pavilion!

Lost and Found

The Lost and Found is located at the Front Desk. All items turned in to the Lost and Found will be held for one week. After one week, items will be donated to a local charitable organization. We recommend leaving valuables at home. The Pavilion and the Georgetown-Scott County Parks and Recreation Department are not responsible for lost or stolen items.

Gift Certificates

Need a gift idea for that hard to buy relative or friend? Pavilion Gift Certificates are the perfect solution! Gift certificates can be used for daily fees, annual passes or for program registrations. To purchase a gift certificate, please contact the Front Desk personnel at The Pavilion.

Activity Registration Information

How to Register for a Program

Program registration with the Georgetown-Scott County Parks and Recreation Department is now high-tech! We complete all registration on our computers with the RecWare software. We hope this will enhance our registration services and better serve our customers. The Parks and Recreation Department reserves the right to cancel any class due to a lack of registrations.

Phone-in (The Easiest Way)

You can register over the phone with your credit card (Visa and Master card). Please have all of the participant's and program information ready when calling. Call (502)-863-7865 during regular Pavilion business hours.

Walk-In (The Most Personal Way)

You may register in person by coming to the front desk of the Parks and Recreation Department at The Pavilion, 140 Pavilion Drive. You may register during regular business hours. Cash, checks and credit cards are accepted for program registration payments. The program fee must be paid in full at the time of registration. Those needing assistance must speak with the Office Manager or Supervisor.

Registration Deadline

Registration deadlines are established to allow our staff time to prepare for the programs, determine and distribute schedules or supply lists and to notify instructors. All Parks and Recreation Department programs require pre-registration. For programs that do not list a registration deadline, the Thursday before the class begins is the last day to register. Registration is taken on a first come first serve basis. Programs are cancelled if the minimum requirements are not met by the deadline date. Classes may fill up before the deadline, so don't wait until the last minute to register!

Storm Policy

In the event that an electrical storm is in the area, the indoor pool will be closed. The pool closure is an effort to make The Pavilion a safe environment. Please understand this policy has been set for your protection, and classes will be rescheduled if canceled due to weather. The department follows American Red Cross guidelines for weather issues: There will be a 30 minute waiting period from the last sight of lightning or sound of thunder.

Swim Diapers

All Children 3 years and under **MUST** wear swim diapers while swimming at The Pavilion. This is a health and safety issue that can affect **ALL GUESTS!** In the event of a fecal contamination, the pool must be closed for 4 hours. Swim diapers will be available at the front desk for \$1.

Six P-L-E-A-s for Healthy Swimming

- Please bath yourself and your child thoroughly with soap and water before swimming.
- Please don't swim when you have diarrhea...this is especially important for kids in diapers
- Please change diapers in the locker room/bathroom and not on the pool deck or on the bleachers.
- Please wash your hands with soap and water after using the toilet or after changing diapers.
- Please take your children to the bathroom often for breaks.
- Please don't swallow the water.

Swim Lessons

Water Babies & Toddlers (ages 6 mos. - 35 mos.)

Water Babies is an interactive class between parent and child. The class is designed to introduce the child to water as well as water adjustment, kicking and arm movements, correct holding techniques and lots of FUN! The parent must accompany the child in the water.

Level I - Water Exploration (ages 3 - 5 years)

Water Exploration is a water adjustment course. Students are taught to submerge their face and bobbing skills. They perform supported floating on the front and the back as well as basic arm motions and kicking skills.

Level II - Primary Skills

Primary Skills classes teach students to fully submerge and retrieve objects with assistance. Students learn to float unassisted and swimming skills on the front and back are taught. Students will also learn to turn.

Level III - Stroke Readiness

Stroke Readiness classes teach students to retrieve objects, swimming with eyes open, breath control, and bobbing. Students learn diving in the kneeling and compact positions. Students begin to coordinate the front and back crawl strokes and learn the elementary backstroke kick and treading water.

Level IV - Stroke Development

Stroke Development classes are designed to teach endurance and technique for the front and back crawl. New skills include: breaststroke kick, sidestroke kick, the elementary backstroke, treading water using various kicks, standing dives and introduction to turning at the wall.

Aquatics (cont.)

Swim Lessons (Continued)

Level V - Stroke Refinement

Stroke Refinement classes will help students begin to coordinate the breaststroke, and the sidestroke. Students are building endurance and technique in the front and back crawl, underwater swimming, and the elementary backstroke. New skills include: long shallow dives, surface diving, and the dolphin kick. Students continue working on open turns and alternate breathing.

Adult Beginner's

The Beginner's classes are for adults who have a fear of the water or have never learned to swim. Water adjustment and basic swimming skills such as floating, kicking, and arm movements are the focus of this class.

Advanced Adult

This class is designed for the swimmer who knows the strokes but need help perfecting each stroke and building endurance. This class is for the adult who can swim 50 yards continuously and would like to begin an exercise routine that includes lap swimming.

Mentoring Program

The Mentoring Program at the Ed Davis Learning Center has been a great success. The partnership with the Georgetown College Education Department has been wonderful. Area youth meet an outstanding group of young people who have volunteered their time and efforts to help guide these young minds in the right direction. Our youth are introduced to different activities including planning a community garden, one on one discussions with mentors, and attending athletic events at Georgetown College. This program has been a major asset to the Learning Center. This program is free to the public.
